## ABOUT THE JOURNAL

The *Berkeley Journal of International Law* (BJIL) (ISSN 1085-5718) is edited by students at U.C. Berkeley School of Law. As one of the leading international law journals in the United States, BJIL infuses international legal scholarship and practice with new ideas to address today's most complex legal challenges. BJIL is committed to publishing high-impact pieces from scholars likely to advance legal and policy debates in international and comparative law. As the center of U.C. Berkeley's international law community, BJIL hosts professional and social events with students, academics, and practitioners on pressing international legal issues. The Journal also seeks to sustain and strengthen U.C. Berkeley's international law program and to cultivate critical learning and legal expertise amongst its members.
